WHERE THE GRAVITAS OF GLORY

attracts the brightest of stars!

The universe emerged out of a Big Bang – stars and galaxies came into life and the cosmic creations flourished in space. The astronomical beauty we witness in the sky today, inspired scientists for some greatest discoveries of mankind. It stirred artists to compose a starry masterpiece. That's the power of two forces coming together.

With Aundh, on the cusp of Northern & Western Pune, and Ravet, on the Western side of Pune (technically, PCMC), the Aundh-Ravet BRTS Road is indeed the epicenter of the realty realm.
